F07

“Mother & Child” terracotta – 27cm H

THIS IS A FAKE

This work was first reviewed in December, 2016 following an enquiry from Bonhams London.

The work is NOT PROPERLY SIGNED and details are not executed in accordance with Lucas Sithole’s standards maintained in all his output. The seller could not provide proper provenance.

This terracotta was then auctioned by Chorley's Auction House in Gloucestershire, UK on 15th May, 2018, Lot 155, listed as “attributed to Lucas Tandokwasi Sithole” and sold to a collector in South Africa.

This work is NOT BY LUCAS SITHOLE and is to be considered a FAKE!
